NOTICE IS HEREBY GIVEN that on May 27, 2026, a public hearing, as required by Section 147(f) of the Internal Revenue Code of 1986, as amended (the "Code"), will be held by the County of Santa Clara (the "County") with respect to the issuance, from time to time, pursuant to a plan of finance, of one or more series of tax-exempt revenue obligations by the California Enterprise Development Authority (the "Issuer") in an aggregate principal amount not to exceed \$20,000,000 (the "Obligations") for the benefit of Almaden Country Day School, a nonprofit public benefit corporation (the "Borrower"), duly organized and existing under the laws of the State of California (the "State"). The Obligations will be issued pursuant to Section 145 of the Code. The proceeds of the Obligations will be loaned to the Borrower pursuant to a loan agreement or financing agreement by and among a financial institution, the Issuer and the Borrower (the "Loan Agreement"). The proceeds of the Obligations loaned to the Borrower will be used for the purpose of (1) financing, refinancing and/or reimbursing the Borrower for the cost of the acquisition, construction, rehabilitation, improvement, equipping and furnishing of the real property and improvements located at 6835 Trinidad Drive, San Jose, California 95120 including (i) construction of an approximately 15,000 square foot integrated gymnasium for indoor sports and a modern stage that will serve as an indoor gathering space for school events (the "Property"), (ii) parking lot improvements and related enhancements at the Property, (iii) the purchase of modular classroom structures; (iv) acquisition and installation of solar energy panels, batteries and supporting structures; and (v) additional improvements to the Property (the "Facilities"), and (2) paying interest on the Obligations, certain financing costs and costs of issuance in connection with the issuance of the Obligations. The Borrower, an organization described in Section 501(c)(3) of the Code, will own and operate the Facilities in connection with its educational mission to discover the gifts in every child and nurture their unique strengths and talents. The Obligations will be paid entirely from repayments by the Borrower under the Loan Agreement.

The County will not be the issuer of the Obligations and takes no responsibility for the financing evidenced by the Obligations. The Obligations and the obligation to pay principal of and interest thereon and any redemption premium with respect thereto do not constitute indebtedness or an obligation of the County, the Issuer, the State of California or any political subdivision thereof, within the meaning of any constitutional or statutory debt limitation, or a charge against the general credit or taxing powers of any of them. Neither the faith and credit nor the taxing power of the County, the State, or any other political corporation, subdivision or agency of the State is pledged to the payment of the principal of, premium, if any, or interest on, the Obligations, nor shall the County, the State or any other political corporation, subdivision or agency of the State be liable or obligated to pay the principal of, premium, if any, or interest on, the Obligations.

The hearing will commence at 10:00 a.m. or as soon thereafter as the matter may be heard. The hearing will be conducted by toll-free teleconference only.
