

**CONFLICT-OF-INTEREST CODE FOR THE
CALIFORNIA ENTERPRISE DEVELOPMENT AUTHORITY**

The Political Reform Act (Government Code Section 81000, et seq.) requires state and local government agencies to adopt and promulgate a conflict-of-interest code. The Fair Political Practices Commission has adopted a regulation (2 California Code of regulations, Section 18730) which contains the terms of a standard conflict-of-interest code, which can be incorporated by reference in an agency's code. After public notice and hearing it may be amended to the Fair Political Practices Commission to conform to amendments in the Political Reform Act.

Therefore, the terms of 2 California Code of regulations, Section 18730 and any amendments to it duly adopted by the Fair Political Practices Commission are hereby incorporated by reference. This regulation and the attached Appendix designating officials and employees and establishing disclosure categories, shall constitute the conflict-of-interest code of the California Enterprise Development Authority.

Designated employees shall file their statements with the California Enterprise Development Authority who will make the statements available for public inspection and reproduction (Government Code Section 81008). Statements for Board of Directors and the Executive Director shall be filed at the California Enterprise Development Authority and the originals sent to the Fair Political Practices Commission.
