

NOTICE OF PUBLIC HEARING

NOTICE IS HEREBY GIVEN that at 10:00 a.m. on August 23, 2022, a public hearing, as required by Section 147(f) of the Internal Revenue Code of 1986 (the “Code”), will be held with respect to the issuance by the California Enterprise Development Authority (the “Authority”) from time to time, pursuant to a plan of finance, of its revenue obligations in an amount not to exceed \$22,500,000 (the “Obligations”). The proceeds of the Obligations will be loaned to Los Angeles County Natural History Museum Foundation, a California nonprofit public benefit corporation and an organization described in Section 501(c)(3) of the Code (the “Borrower”), for the purpose of (a) financing, refinancing and/or reimbursing the Borrower for the cost of designing, constructing, installing, equipping and furnishing new museum facilities known as the Commons located at 900 West Exposition Boulevard, Los Angeles, California 90007 (the “Facilities”) and (b) paying certain costs of issuance of the Obligations. The Facilities will be a transformative expansion of the Los Angeles County Natural History Museum (the “Museum”) and will encompass approximately 75,000 square feet of renovated space, new construction, and landscaping on the southwest side of the Museum, including a light-filled welcome center, an inviting lobby with retail space, a new multipurpose theater, a café, and a large community plaza. The Facilities will be owned by the County of Los Angeles and operated by the Borrower.

The Obligations will not be deemed to constitute a debt or liability of the City, the State of California (the “State”) or any political subdivision thereof, but will be payable solely from the funds provided therefor by the Borrower. The Authority will not be obligated to pay the principal of the Obligations, or the redemption premium, if any, or interest thereon, except from funds provided from loan repayments by the Borrower.

Neither the faith and credit nor taxing power of the City, the State or any political subdivision thereof, will be pledged to the payment of the principal or redemption premium, if any, or interest on the Obligations. The issuance of the Obligations will not directly, indirectly or contingently obligate the City, the State or any political subdivision thereof to levy or to pledge any form of taxation or to make any appropriation for their payment. The City is conducting the public hearing as an accommodation to the Borrower to facilitate the financing, refinancing or reimbursing of the Borrower for the cost of the Facilities. The City will not be the issuer of the Obligations and takes no responsibility for the financing and refinancing of the Facilities.
